

Thermoplastic composites – industrial opportunities along the value chain

Technical conference – January (W 4 or 5) 2015 at ETHZ/inspire

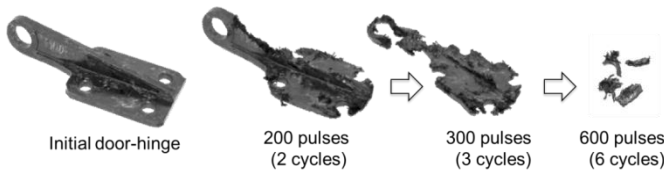

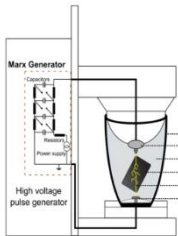

Format: 1 day – invited speakers

Preliminary structure:

1. Keynote
2. Overview on thermoplastics matrix systems
3. Semi-finished products
4. Tooling technology
5. Processing
6. Joining
7. Recycling
8. SAMPE Student contest

n|w Fachhochschule Nordwestschweiz
Hochschule für Technik

Organisation comitee:
